- 2,284 ultrasounds
- 223 abortion-minded clients chose life
- 618 abortion-vulnerable clients chose life
- 26 adoptions

# PRAYING FOR BRIGHT HOPE'S FUTURE

## PREVENTION

- Expand optimal health relationship classes to reach more students
- Build relationships on local college campuses

## INTERVENTION

- Storks Medical Mobile Unit funding, building and implementation
- Wisdom and favor renovating the Easton Clinic
- Wisdom and favor as we restructure our Door of Hope Maternity Housing Program
- Implement targeted marketing initiatives to reach more abortion minded clients

## RESTORATION

- Reach more women & men in need of post abortion care counseling
- Clients would connect with a local church
- Expand the Divine Resale Boutique

## EVERY DAY PRAYER NEEDS

- Protection from the enemy over staff, volunteers and donors
- Life decisions would be made by our clients
- Women and men would feel safe, loved and hopeful when they visit our clinics
- Provision of ongoing funds needed to provide our free, compassionate & confidential services
- Provision of volunteers to continue our mission
